

# SOLAR OUTDOOR SIREN 2

Safety meets reliability by solar

Product Code: 700854

- Outdoor siren (IP56 protection class)
- Encrypted and secured communication to Z-Wave control center
- Effective tamper protection
- Energy self-sufficient thanks to large solar panel and rechargeable battery
- Combines acoustic (105 dBm) and optic (stroboscope light) alarms

The POPP Solar Outdoor Siren 2 is a self-sufficient siren for Z-Wave security systems. Due to its large solar panel it can be used without any additional power supply or batteries. With eye-catching acoustic and visual signals, the POPP Solar Outdoor Siren 2 enhances any alarm system.

# SMART HOME BY POPP

-  Heating and Climate Control
-  Security Systems
-  Lighting Control
-  Alarm Systems
-  Remote Controls
-  Control Center/ Gateway
-  Sensors
-  Device Control/ Plugs
-  Window and Blind Control

POPP Smart Home products make your home intelligent. Monitor and control your house or flat with your tablet, smartphone, PC or remote control (Z-Wave capable gateway required). Activate the heating while you are driving home, close windows automatically when the weather changes and be informed when sensors trigger an alarm.

POPP relies on Z-Wave wireless technology for its Smart Home products. Z-Wave is the leading international standard for wireless communication between intelligent devices in homes and offices, and thus the basis for efficient home automation.

POPP smart home products are compatible and interoperable with Z-Wave certified devices from more than 300 manufacturers worldwide.
